NEWSLETTER – FEBRUARY 2008

Welcome!

To all Players and their families - “Welcome”. Practise has begun, and weather permitting, we will get a couple of training sessions in before the beginning of the season, which is due to start on the **5th/6th of April**. 2008 is gearing up to be another fantastic season for TTGCSC with well over 500 players registering this year.

We would like to thank all our Coaches for volunteering their time this year, because without them there would be no team for our children to play in. We hope you will put your support behind your coach to allow your child to work to their potential and find a real love of this game.

Here's hoping the weather stays under 32 degrees and Season 2008 gets off to a flying start.

If you have any questions, concern or praises please contact your relevant registrar as listed.

Yours in soccer.

FUNDRAISING COMMITTEE

The Fundraising Committee is looking for people to join. Whether you have the “gift of the gab” and can help with sponsorship, “have a flair” when it comes to thinking up new ideas, or are just looking for a way to get involved, give Corrie Abbey a call on 8289 7951.

Club Website

This season our website will be the fastest way to find out what's going on with our Club. All information will be posted on the website as soon as it comes to hand. Please take the time to have a look. We are sure you will be impressed. You can even let us know what a great job we are doing....

Go to www.ttgsoccer.com.au to check it out.

Registration to the website is free and it's easy.

Team Managers

This season we will require every team to have a Team Manager. This gives the Registrars a point of contact and enables the Coach to deal with the job of coaching. If your team doesn't already have an allocated Team Manager and you are interested in taking on the role, please speak to your Coach or contact your Registrar for more information. It's a great way to get to know the families you are going to be spending the winter with!!!

BARBECUE AND CANTEEN DUTY

During the Season, teams will be notified of which day they will be running either the barbecue or canteen (given several weeks notice). The Team Manager will break down the day into 45 minutes to 1 hour blocks.

When the Team Manager asks you which time slot you can do, please remember that this club relies heavily on our volunteers! It would be a shame to have to close the Canteen due to lack of support, or abandon the BBQ!!!!

****USAGE OF TEAM STRIPS****

Team strips, whether they are the yellow or white sets, **are only to be used on game day**. They are not training tops and should not be used in lieu of bibs. They are NEVER to be taken home by individual players. Strips are to be handed out prior to each game and returned to the bag at the end of the game. Washing of the strips for the whole team should be dealt with on a roster system assigned by the Team Manager. Loss or damage of strips by individuals will incur a \$50- fine to cover replacement. Registrars will be making spot checks!!!!!!!
