

Hello Members,

Last week I sent an email saying what a season it has been and congratulations to all participants.

On Sunday our Under 17/18 – Colts Strikers team took on Para Hills West and were good enough to bring the Challenge Cup home to Tilley Reserve.

Congratulations to the team who the majority have been together for a number of years, and a few of the boys who started playing all the way back from the Development Squad 13 years ago! A fantastic achievement, and congratulations too goes to the 2 coaches also who have been coaching for a long time, as well as serving on the committee recently, and thoroughly deserve the win and to be crowned cup winners.

The Cup action is still alive for our senior group after 2 fantastic wins yesterday in the Semi Finals.

This Sunday, October 2 both of our A Grade and Reserves will fight it out for the Amateur League Challenge & Reserve Cups. This is really a huge effort for the current group of players.

The last time the clubs A Grade competed in the Cup Final was 15 years ago, and the last time we won it was 1985! The Reserves' last appearance in the final was when we won in 1993.

This weekend the Reserves play against Para Hills West, and the games this season between the two have been fiercely competitive, so a good contest is guaranteed.

In the A Grade we are up against formidable opponents in Elizabeth Downs, a team who won the league this season, and has been top of the tree for quite some time. They bring with them a big crowd affectionately known as the Downs Army, so I would love it if on Sunday if our huge membership base found some time in your weekend to head down to Service FM Stadium - Matildas Drive Gepps Cross, don the black and yellow, and get behind our Gully teams.

The action starts at 12pm for the Reserves and the A Grade are kicking off at 2:45pm. Grab the family and support the club in what is the last chance for silverware to find its way back to Tilley Reserve this season.

#GotheGully 🧡❤️

Warm Regards,
Damien Kuypers
