

Dear Members, what a season it has been!

This weekend sees the last games for the season for the vast majority of our 29 teams. I hope you and your families have enjoyed Season 2022 at Tea Tree Gully City Soccer Club, and I hope the last round of the season is an enjoyable one for your teams.

Congratulations and best of luck to our Colts Strikers team who play in the Challenge Cup Final on Sunday 25th September at 1:30 at Salisbury United's ground (Kelsey rd), and good luck as well to our 35's, Reserves and A Grade who are still alive in their respective Cup rounds too.

This coming Sunday, September 18 we would like to invite you all to Tilley Reserve to celebrate a season that for the first time in three years went ahead relatively uninterrupted by COVID-19, and to enjoy an afternoon at the club.

The on-field action kicks off with our U15 Girls FSA team - Proudly sponsored by Tron Civil Contracting taking on Cove Marion, Other junior games in the morning include our under 15 Strikers team and Colts United .

After the Junior Games, the bar and clubroom will be open and you can watch our Reserves and A Grade play in the amateur league Challenge Cup Quarter Finals, all thanks to our wonderful Major Sponsor - Bailey Property!

We'd love you to come on down and enjoy the on-field action, the Gully BBQ, a selection of beer,wine, spirits and soft drinks from Kingo's Bar, and the company of teammates, coaches, managers, volunteers and our players' families.
