

Good evening Members,

Founded in 1965, Tea Tree Gully City Soccer Club is a sleeping giant, and we want to keep it building into 2065!

To continue on our journey of continuous improvement, and as we prepare to move into our new clubrooms in the very near future, the current committee needs more assistance from people that share a matched enthusiasm, drive and passion to continue to build on the foundations, and deliver on the next stages of our business plan.

Please see below the list of 4 positions we are hoping to fill very soon as the plans for Season 2023 are well and truly underway, and below that is a description for each role.

### **Social Media, Communications, & Events Coordinator**

- **Women's & Girl's Coordinator**
- **Food & Beverage Coordinator**
- **Senior Registrar**

If you think you can help in this area, we would love to hear from you.

Please read more about each position below.

#### **1. Social Media, Communications, & Events Coordinator**

This season has seen us be active in the world of social media. We are thrilled that we have picked up so many followers and believe this is a tremendous avenue to enhance the club's brand going forward, to keep our members engaged, and strengthen the connection of our sponsors to the local community.

Whilst the popularity in this area has had a major impact, we feel there is a need to improve our communications further, by relaying even more messages to our membership base and beyond.

If you feel you have what it takes to continue to build on the framework that has been built over the last 2 years, we want to hear from you.

Along with Communications & Socials, the Coordinator will also assist the committee by driving events throughout the soccer season. From Quiz Nights, Comedy Nights, Game Day Experience, Ladies Day, Sponsors Days to our Annual Presentation Night and Family Fun Day.

If you think you have the drive to help the club set up and manage this type of communication and events, we would love to hear from you.

## 2. Women's & Girl's Coordinator

As we start the process of having new club rooms built, we are so keen to assign A Women's & Girls Coordinator to champion a very important part of our club, and establish a program that ensures the young girls at the Gully have a team to continue their soccer journey for as long as they wish.

Last year we were close to having enough senior women to begin the new pathway for our many junior girls within the club and just need someone that can grab the bull by the horns and drive the logistics of organising the pathway into women's and girls' soccer. We find a lot of girls seeming to leave the game when they reach a certain age or continuing to mix it with the boys.

We would love for them to stay at the club and continue to love the game that they have grown up with and to be the ones representing Tea Tree Gully City into the future in a girls/women's competition.

If you think you have the desire to drive this part of the club, we would love to hear from you.

## 3. Food & Beverage Coordinator

Along with the growth of the club this season, the crowds on Saturday and Sunday have been big and with the Covid restrictions lifted, we have busier than ever before. This has our Food & Beverage team stretched and always busy ensuring the visitors to Tilley Reserve have left the ground not wanting.

A new club room is on the horizon, and we want to be able to maximise its use with the kitchen, bar and canteen open and serving more often.

With this in mind we would love to get the ball rolling with someone who is keen to organise stock, staff and operations in this area so when the time comes to operate a fully operational club we are ready to serve the masses. If this sounds like you, we would love to hear from you.

## 4. Senior Registrar

This season saw Tea Tree Gully City Soccer Club have 5 teams competing at senior level and with this comes responsibility that all players are registered and have their fees paid.

Other responsibilities include arranging games in preseason, any catch up games liaising with the amateur league and communicating back to the coaches and committee where required.

Please let us know if you are interested in discussing any of the positions further, and once again, best wishes to the Colts Strikers in this weekend's Grand Final of the Challenge Cup, and our A Grade and Reserves in the Semifinals of the Challenge Cup too!

#GoTheGully 🧡💜

Warm Regards,  
Damien Kuypers
