

Good afternoon members,

Amongst all the great activity happening around the club at the moment, and in the spirit of continuous improvement, I want to raise an issue surrounding our weekly club BBQ that is cooked each Saturday feeding hundreds of people.

Recently I have seen some of our volunteer coaches pulling double shifts on the BBQ when it is their teams' rostered week.

Our great Coaches volunteer their time for your children, some up to 8 hours a week to help develop their soccer skills and personal attributes, so it doesn't feel right to me when I see a coach having to volunteer their time on top of that to cook the BBQ as well.

The weekly BBQ is rostered between all teams, and we ask that everyone supports this by volunteering for a 1 hour shift to help the club and your team out.

So next time your volunteer Team Manager asks you to please nominate 1 hour to help cook the BBQ, help them out and remember that our Team Managers are also part of the army of volunteers we have that make it possible for our kids to play each week, and they can't do everything.

**Your 1 hour of support will help these volunteers so much.**

I'd like to thank you in advance in anticipation that when it comes to your teams turn for the BBQ in the upcoming weeks, that there are more than enough people that say - "Yep, I can spare 1 hour on the BBQ so the coach or other club volunteers don't have to fill the void."

Thank you!

Warm Regards,
